

Dear Church Member or Visitor,

At The Oasis Church we believe that the music we sing is one of the major ways we interact with God, learn deep theological truth, and express our gratitude to Jesus for being the atonement sacrifice for our sins.

Therefore, the songs that make it to our stage have gone through the theological washboard and have come out exemplifying what we believe will help us praise God, grow in our responsiveness to the Gospel, and concretely help us learn the theology that is revealed to us in Scripture.

Praise and Worship on a Sunday morning is not some version of Christian Karaoke, but rather it is the joyful praise of God's people glorifying Him for who He is and what He has done. Join us Sunday morning and sing loudly praise and thankfulness to the Triune God!

In Him,
Seth Harris
Worship Arts and Teaching Pastor
